

የኢትዮጵያ ኤሌክትሪክ ኃይል  
ETHIOPIAN ELECTRIC POWER

የደብዳቤ ቁጥር Ref. No. EE.P/6829/594/14

ቀን Date 106 OCT 2021

**To All Ethiopians and Friends of Ethiopia:**

Since we launched the online platform for collecting gifts for the Grand Renaissance Dam ([www.mygerd.com](http://www.mygerd.com)) on July 24, 2021, we are receiving continuous financial contributions from thousands of Ethiopians residing around the world. We would like to thank all who have extended their generous helping hands to GERD and encourage others to follow suit.

When you give through this platform, rest assured that a 100 percent of your contribution goes to the construction of the dam. The Ethiopian Electric Power is receiving the full amount of your contributions because Zemen bank is generously covering the cost of the international money transfer as part of its social responsibility.

Together, we can finish the construction of GERD and give light to the millions of Ethiopians who live in darkness. I thank you all for your continued support!

With Best Regards
